

FACT SHEET: COFFS HARBOUR AIR CONDITIONING SPECIALISTS

Nationwide Air Conditioning is your local, trusted expert in the design, construction, refurbishment and maintenance of heating, ventilation and air-conditioning (HVAC) systems. Our expertise in energy management, superior service, as well as a proactive approach to auditing and maintenance sets us apart from your average air-conditioning company.

By being innovative, intelligent and scientific, we help property owners and building managers to maximise the cost effective life of their assets and minimise service calls.

LOCAL KNOWLEDGE BACKED BY A NATIONWIDE TEAM

Nationwide Air Conditioning is a wholly owned Australian company that has been providing HVAC services in NSW for more than 30 years.

We've been on the NSW North Coast for almost 20 years. With a base in Coffs Harbour and key staff in Lismore and Newcastle we have the region covered to service your HVAC needs.

Our joint venture partnership with Sydney based Grosvenor Engineering Group means we can provide state-wide and national services with a consistent, high quality service.

Clayton Priest, Managing Director of Nationwide with local manager Glenn Florentine, who has more than 25 years experience in the industry. Controlling our North Coast operations for more than 15 years, Glenn is an expert for this region and has the skills to efficiently manage your HVAC assets for you.

Nationwide

INTEGRATED SERVICES

From the decommissioning of old HVAC plant through to new installations, refurbishment of existing systems and ongoing maintenance, we are leaders in the HVAC industry. We tailor our superior services to meet your budget and system needs.

- Construction and Refurbishment
- General Maintenance
- Central Plant Maintenance
- 24hr Emergency Breakdown
- Technical Advisory and Project Management
